WORKINCOLORS
è la speciale raccolta di look professionali ideata da Payper per esprimere un vero e proprio invito a svolgere il proprio mestiere con piacere e passione.

Un'incitazione a lavorare a colori, a mettersi all'opera con gioia e soddisfazione, anche **grazie ai capi proposti**, performanti, sicuri, confortevoli e stilosi, **da indossare con orgoglio, creando i migliori abbinamenti per un outfit coordinato e ideale da ogni punto di vista,** sia pratico e funzionale che estetico e cromatico.
Nella scelta degli abiti da lavoro, **i colori** hanno infatti un ruolo importante: **trasmettono valori e sensazioni**, rispondono alle esigenze di particolari professioni e **diventano elementi rappresentativi di un'impresa**. E per ogni azienda, piccola o grande che sia, l'identità, la riconoscibilità e il senso d'appartenenza sono aspetti sempre più importanti e strategici.
Con questa consapevolezza, nasce **WORKINCOLORS**: non un classico catalogo, ma **un album originale** che raccoglie diversi outfit professionali selezionati da Payper proprio giocando sui colori, le loro valenze e combinazioni, **per ispirare e agevolare la composizione della divisa da lavoro più adatta ad ogni contesto**.

WORKINCOLORS
is the special collection of professional looks created by Payper which invites you to carry out your job with pleasure and passion.

An incitement to work with colours, to get down to work with joy and satisfaction, thanks also to **the items we offer**, high-performance, safe, comfortable and stylish, **to be worn with pride, creating the best matches for a coordinated outfit**, **ideal from every point of view**, whether practical and functional, or aesthetical and chromatic.
Indeed, when choosing work clothes, **colours** are very important: **they convey values and feelings**, respond to the needs of particular professions and **become the representative elements of a company**. And for every company, whether large or small, its identity, distinctiveness and the sense of belonging are increasingly important and strategic aspects.
Aware of this, we have created **Workincolors**: not a classic catalogue, but an **original album** which collects several professional outfits chosen by Payper precisely for the play on their colours, significance and combinations, **to inspire and simplify putting together the work outfit most suited to each context**.

Every section collects a series of photos with **various modelled looks**, both with a neutral context and on location: this highlights all the added value of the functional combinations suggested, which ensure appropriate protection in every setting, together with a high level of comfort and a clearly distinguishable style.
The picture galleries of the looks are concluded by **a technical gallery** which reports the information concerning both the articles modelled and other items of clothing suitable for creating alternative similar outfits.
WORKINCOLORS therefore represents **an ideal tool to support sellers**, who can suggest the best uniform to their clients, quickly, stylishly and consistently.

EFFICIENCY

Questa collezione Workincolors spazia nell'**orizzonte del blu**, nelle sue **gradazioni più scure**, come il **blu navy**, uno dei principali colori associati alla **professionalità**. Per questo è utilizzato anche come colore corporate da molte aziende. Esprime infatti **credibilità**, **serietà** ed **efficienza**, concetti chiave in **tutti gli ambiti lavorativi** ma **in particolare in quelli della produzione industriale e della logistica**. Proprio pensando a chi opera in questi settori, la raccolta include anche indispensabili **gilet di alta visibilità**.

This Workincolors collection ranges in **the blue horizon**, with its **darker shades**, like **navy blue**, one of the leading colours associated with **professionalism**. This is why it is also used by many companies as the corporate colour. In fact, it conveys **credibility**, **reliability** and **efficiency**, key concepts in **all working environments** but **particularly in the industrial production and logistics ones**. Precisely with these operators in mind, the collection also includes indispensable **high-visibility vests**.

PASSION

Azione, **potenza**, **dinamicità**, **passione e attenzione**: sono questi alcuni dei principali valori legati al **rosso**, in primo piano in questa collezione Workincolors. Una collezione pensata innanzitutto, proprio ispirandosi ai significati di questo colore, per dare **una marcia in più all'abbigliamento di chi lavora con i motori**, suggerendo anche abbinamenti stilosi con il nero e il grigio scuro. Trasmettendo **sensazioni positive** e stimolando la **voglia di fare**, il rosso è una tonalità indicata comunque per tutti coloro che svolgono **attività pratiche e manuali**.

Action, **power**, **vitality**, **passion and attention**: these are some of the main values linked to **red**, at the forefront of this Workincolors collection. A collection created first of all precisely inspired by the meanings of this colour, to provide **an extra spin to those who work with engines**, suggesting stylish combinations with black and dark grey too. By conveying **positive feelings** and by stimulating **the will to do**, red is in any case suitable for all those who carry out **practical and manual activities**.

RATIONALITY

Tra il bianco e il nero, il **grigio** è considerato il colore della **perfetta neutralità**, per questo è associato a significati come **oggettività**, **equilibrio**, **razionalità**. È un colore **moderno**, molto legato al **design**, che richiama il **mondo** industrial**e e quello dei metalli** e in particolare, nelle sue tonalità più scure, del **ferro**. E proprio ai professionisti che lavorano questo tipo di materiali, come i **fabbri**, è dedicata in primis questa collezione Workincolors, che comprende anche **guanti e accessori di specifica protezione**.

In-between white and black, **grey** is considered the **perfectly neutral** colour, this is why it is associated with the meaning of **impartiality**, **balance**, **rationality**. It is a **modern** colour, greatly connected with the field of **design**, which calls to mind **the world of industry and of metals** and in particular, in its deeper shades, of **iron**. And it is precisely to the professionals who work with these materials, such as **blacksmiths**, that this Workincolors collection is dedicated to first of all, and that it includes **specific protection gloves and accessories**.
